

# EPOXY TRAINING CLASS

**2 DAY CLASS - April 14-15th, 2021**

## HANDS-ON TRAINING INCLUDES

- ✔ 100% Epoxy Flake Systems
- ✔ Double Broadcast Quartz
- ✔ Solid Color Shop Floor
- ✔ Metallic Flooring System
- ✔ Multicolor Metallic Application
- ✔ 6 Different top Coat Applications

Attend our Concrete College and work with our expert trainers as we discuss and install several flooring systems over 1,000 square feet of natural concrete floor, not flimsy boards. During the training, we will cover four complete systems that can be used in residential and commercial applications. The systems covered are Solid Color Shop Floor, 100% Flake Floor, 1 Day Double Broadcast Quartz, and several different applications techniques of Metallic Epoxy. We will cover setting expectations for your clients and how to educate them to make for an easier install. This is a 2 day course that will include Drinks, Snacks, Lunch, and all the materials needed to complete the course. Training is hosted in Turning Point Supply Concrete College in Charlotte, NC.
