

CONCRETE OVERLAY TRAINING

2 DAY CLASS - March 10th and 11th 2022

HANDS-ON TRAINING INCLUDES

- ✔ Knock Down Pool Finish
- ✔ Pebble Texture with Stencil
- ✔ Broom Finish
- ✔ Stamp Overlay
- ✔ Trowel Down Slate
- ✔ Wood Plank Flooring

Attend our Concrete College and work with our expert trainers as we discuss and install six different floor systems directly on our 1,000 sq. ft. concrete floor. Classes are kept smaller to allow for everyone to have hands on training. We will cover six systems to use in residential or commercial applications. The systems we cover are Knock Down (cool deck), Stencil, Broom Finish, Slate Trowel, Wood Plank, and Stamp Overlay. We will cover setting expectations for your clients and how to educate them to make for an easier install. This is a 2 day course that will include Drinks, Snacks, Lunch, and all the materials needed to complete the course. Training is hosted in Turning Point Supply Concrete College in Charlotte, NC.

CLASSROOM TRAINING INCLUDES

- ✔ Evaluating Concrete
- ✔ Explanation of Moisture Vapor
- ✔ Preparing Concrete
- ✔ Diamond Grinding Discussion
- ✔ Setting Customer Expectations
- ✔ How to Stay in Control of Your Job

TWO-DAY COURSE \$500 PER PERSON
